Honorable Allen W. Dulles
Director, Central Intelligence Agency
Washington 25, D. C.

Dear Mr. Dulles:

The order of the Subversive Activities Control Board requiring the Communist Party to register with the Attorney General as a Communist-action organization pursuant to the provisions of the Subversive Activities Control Act of 1950 (50 U.S.C. 781, et seq.) becomes final on October 20, 1961, by virtue of the recent order of the Supreme Court. Pursuant to Section 13(k) of the Act (50 U.S.C. 792(k)), the Board will publish, on or about October 21, 1961, in the Federal Register, the fact that such order is final.

The numerous disabilities which attach under the terms of the Act to a person who is a member of the Communist Party are now operative. These disabilities include ineligibility for employment in the Federal Government and in defense facilities listed by the Secretary of Defense; ineligibility to hold office or employment with any labor organization; ineligibility to receive classified security information; and disqualification from applying for or using passports. In addition, the Communist Party as an organization now must label its public utterances (mail, radio, television, interstate and foreign transmittals) and is denied tax exemptions.

[PUBLIC LAW 831—81ST CONGRESS]

[CHAPTER 1024—2D SESSION]

[H. R. 9490]

AN ACT

To protect the United States against certain un-American and subversive activities by requiring registration of Communist organizations, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Internal Security Act of 1950".

TITLE I—SUBVERSIVE ACTIVITIES CONTROL

SECTION 1. (a) This title may be cited as the "Subversive Activities Control Act of 1950".

(b) Nothing in this Act shall be construed to authorize, require, or establish military or civilian censorship or in any way to limit or infringe upon freedom of the press or of speech as guaranteed by the Constitution of the United States and no regulation shall be promulgated hereunder having that effect.

NECESSITY FOR LEGISLATION

SEC. 2. As a result of evidence adduced before various committees of the Senate and House of Representatives, the Congress hereby finds that—

(1) There exists a world Communist movement which, in its origins, its development, and its present practice, is a world-wide revolutionary movement whose purpose it is, by treachery, deceit, infiltration into other groups (governmental and otherwise), espionage, sabotage, terrorism, and any other means deemed necessary, to establish a Communist totalitarian dictatorship in the countries throughout the world through the medium of a world-wide Communist organization.

(2) The establishment of a totalitarian dictatorship in any country results in the suppression of all opposition to the party in power, the subordination of the rights of individuals to the state, the denial of fundamental rights and liberties which are characteristic of a representative form of government, such as freedom of speech, of the press, of assembly, and of religious worship, and results in the maintenance of control over the people through fear, terrorism, and brutality.

(3) The system of government known as a totalitarian dictatorship is characterized by the existence of a single political party, organized on a dictatorial basis, and by substantial identity between such party and its policies and the government and governmental policies of the country in which it exists.

(4) The direction and control of the world Communist movement is vested in and exercised by the Communist dictatorship of a foreign country.

(5) The Communist dictatorship of such foreign country, in exercising such direction and control and in furthering the purposes of the world Communist movement, establishes or causes the establishment of, and utilizes, in various countries, action organizations which are not free and independent organizations, but are sections of a world-wide Communist organization and are controlled, directed, and subject to the discipline of the Communist dictatorship of such foreign country.

(6) The Communist action organizations so established and utilized in various countries, acting under such control, direction, and discipline, endeavor to carry out the objectives of the world Communist movement by bringing about the overthrow of existing governments by any available means, including force if necessary, and setting up Communist totalitarian dictatorships which will be subservient to the most powerful existing Communist totalitarian dictatorship. Although such organizations usually designate themselves as political parties, they are in fact constituent elements of the world-wide Communist movement and promote the objectives of such movement by conspiratorial and coercive tactics, instead of through the democratic processes of a free elective system or through the freedom-preserving means employed by a political party which operates as an agency by which people govern themselves.

(7) In carrying on the activities referred to in paragraph (6), such Communist organizations in various countries are organized on a secret, conspiratorial basis and operate to a substantial extent through organizations, commonly known as "Communist fronts", which in most instances are created and maintained, or used, in such manner as to conceal the facts as to their true character and purposes and their membership. One result of this method of operation is that such affiliated organizations are able to obtain financial and other support from persons who would not extend such support if they knew the true purposes of, and the actual nature of the control and influence exerted upon, such "Communist fronts".

(8) Due to the nature and scope of the world Communist movement, with the existence of affiliated constituent elements working toward common objectives in various countries of the world, travel of Communist members, representatives, and agents from country to country facilitates communication and is a prerequisite for the carrying on of activities to further the purposes of the Communist movement.

(9) In the United States those individuals who knowingly and willfully participate in the world Communist movement, when they so participate, in effect repudiate their allegiance to the United States, and in effect transfer their allegiance to the foreign country in which is vested the direction and control of the world Communist movement.

(10) In pursuance of communism's stated objectives, the most powerful existing Communist dictatorship has, by the methods

referred to above, already caused the establishment in numerous foreign countries of Communist totalitarian dictatorships, and threatens to establish similar dictatorships in still other countries.

(11) The agents of communism have devised clever and ruthless espionage and sabotage tactics which are carried out in many instances in form or manner successfully evasive of existing law.

(12) The Communist network in the United States is inspired and controlled in large part by foreign agents who are sent into the United States ostensibly as attachés of foreign legations, affiliates of international organizations, members of trading commissions, and in similar capacities, but who use their diplomatic or semidiplomatic status as a shield behind which to engage in activities prejudicial to the public security.

(13) There are, under our present immigration laws, numerous aliens who have been found to be deportable, many of whom are in the subversive, criminal, or immoral classes who are free to roam the country at will without supervision or control.

(14) One device for infiltration by Communists is by procuring naturalization for disloyal aliens who use their citizenship as a badge for admission into the fabric of our society.

(15) The Communist movement in the United States is an organization numbering thousands of adherents, rigidly and ruthlessly disciplined. Awaiting and seeking to advance a moment when the United States may be so far extended by foreign engagements, so far divided in counsel, or so far in industrial or financial straits, that overthrow of the Government of the United States by force and violence may seem possible of achievement, it seeks converts far and wide by an extensive system of schooling and indoctrination. Such preparations by Communist organizations in other countries have aided in supplanting existing governments. The Communist organization in the United States, pursuing its stated objectives, the recent successes of Communist methods in other countries, and the nature and control of the world Communist movement itself, present a clear and present danger to the security of the United States and to the existence of free American institutions, and make it necessary that Congress, in order to provide for the common defense, to preserve the sovereignty of the United States as an independent nation, and to guarantee to each State a republican form of government, enact appropriate legislation recognizing the existence of such worldwide conspiracy and designed to prevent it from accomplishing its purpose in the United States.

tive of any foreign government or an officer or member of any Communist organization as defined in paragraph (5) of section 3 of this title, any information of a kind which shall have been classified by the President (or by the head of any such department, agency, or corporation with the approval of the President) as affecting the security of the United States, knowing or having reason to know that such information has been so classified, unless such officer or employee shall have been specifically authorized by the President, or by the head of the department, agency, or corporation by which this officer or employee is employed, to make such disclosure of such information.

Upon written request of any individual so notified who denies that he holds any office or membership (as the case may be) in such organization, the Attorney General shall forthwith initiate and conclude at the earliest practicable time an appropriate investigation to determine the truth or falsity of such denial, and, if the Attorney General shall be satisfied that such denial is correct, he shall thereupon strike from such registration statement or annual report the name of such individual. If the Attorney General shall decline or fail to strike the

name of such individual from such registration statement or annual report within five months after receipt of such written request, such individual may file with the Board a petition for relief pursuant to section 13 (b) of this title.

REGISTRATION OF MEMBERS OF COMMUNIST-ACTION ORGANIZATIONS

SEC. 8. (c) The Attorney General shall submit to the President and to the Congress on or before June 1 of each year (and at any other time when requested by either House by resolution) a report with respect to the carrying out of the provisions of this title, including the names and addresses of the organizations listed in such registers and (except to the extent prohibited by subsection (b) of this section) the names and addresses of the individuals listed as members of such organizations.

(d) Upon the registration of each Communist organization under the provisions of this title, the Attorney General shall publish in the Federal Register the fact that such organization has registered as a Communist-action organization, or as a Communist-front organization, as the case may be, and the publication thereof shall constitute notice to all members of such organization that such organization has so registered.

USE OF THE MAILS AND INSTRUMENTALITIES OF INTERSTATE OR FOREIGN COMMERCE

SEC. 10. It shall be unlawful for any organization which is registered under section 7, or for any organization with respect to which there is in effect a final order of the Board requiring it to register under section 7, or for any person acting for or on behalf of any such organization—

(1) to transmit or cause to be transmitted, through the United States mails or by any means or instrumentality of interstate or foreign commerce, any publication which is intended to be, or which it is reasonable to believe is intended to be, circulated or disseminated among two or more persons, unless such publication, and any envelope, wrapper, or other container in which it is mailed or otherwise circulated or transmitted, bears the following, printed in such manner as may be provided in regulations prescribed by the Attorney General, with the name of the organization appearing in lieu of the blank: "Disseminated by _____, a Communist organization"; or

SUBVERSIVE ACTIVITIES CONTROL BOARD

SEC. 12. (a) There is hereby established a board, to be known as the Subversive Activities Control Board, which shall be composed of five members, who shall be appointed by the President, by and with the advice and consent of the Senate. Not more than three members of the Board shall be members of the same political party. Two of the original members shall be appointed for a term of one year, two for a term of two years, and one for a term of three years, but their successors shall be appointed for terms of three years each, except that any individual chosen to fill a vacancy shall be appointed only for the unexpired term of the member whom he shall succeed. The President shall designate one member to serve as Chairman of the Board. Any member of the Board may be removed by the President, upon notice and hearing, for neglect of duty or malfeasance in office, but for no other cause.

(b) A vacancy in the Board shall not impair the right of the remaining members to exercise all the powers of the Board, and three members of the Board shall, at all times, constitute a quorum. The Board shall have an official seal which shall be judicially noticed.

(c) The Board shall at the close of each fiscal year make a report in writing to the Congress and to the President stating in detail the cases it has heard, the decisions it has rendered, the names, salaries, and duties of all employees of the Board, and an account of all moneys it has disbursed.

(d) Each member of the Board shall receive a salary of \$12,500 a year, shall be eligible for reappointment, and shall not engage in any other business, vocation, or employment.

(e) It shall be the duty of the Board—

(1) upon application made by the Attorney General under section 13 (a) of this title, or by any organization under section 13 (b) of this title, to determine whether any organization is a "Communist-action organization" within the meaning of paragraph (3) of section 3 of this title, or a "Communist-front organization" within the meaning of paragraph (4) of section 3 of this title; and

(2) upon application made by the Attorney General under section 13 (a) of this title, or by any individual under section 13 (b) of this title, to determine whether any individual is a member of any Communist-action organization registered, or by final order of the Board required to be registered, under section 7 (a) of this title.

(f) Subject to the civil-service laws and Classification Act of 1949, the Board may appoint and fix the compensation of a chief clerk and such examiners and other personnel as may be necessary for the performance of its functions.

(g) The Board may make such rules and regulations, not inconsistent with the provisions of this title, as may be necessary for the performance of its duties.

(h) There are hereby authorized to be appropriated to the Board such sums as may be necessary to carry out its functions.

PROCEEDINGS BEFORE BOARD

SEC. 13. (a) Whenever the Attorney General shall have reason to believe that any organization which has not registered under subsection (a) or subsection (b) of section 7 of this title is in fact an organization of a kind required to be registered under such subsection, or that any individual who has not registered under section 8 of this title is in fact required to register under such section, he shall file with the Board and serve upon such organization or individual a petition for an order requiring such organization or individual to register pursuant to such subsection or section, as the case may be. Each such petition shall be verified under oath, and shall contain a statement of the facts upon which the Attorney General relies in support of his prayer for the issuance of such order.

(b) Any organization registered under subsection (a) or subsection (b) of section 7 of this title, and any individual registered under section 8 of this title, may, not oftener than once in each calendar year, make application to the Attorney General for the cancellation of such registration and (in the case of such organization) for relief from obligation to make further annual reports. Within sixty days after the denial of any such application by the Attorney General, the organization or individual concerned may file with the Board and serve upon the Attorney General a petition for an order requiring the cancellation of such registration and (in the case of such organization) relieving such organization of obligation to make further annual reports. Any individual authorized by section 7 (g) of this title to file a petition for relief may file with the Board and serve upon the Attorney General a petition for an order requiring the Attorney General to strike his name from the registration statement or annual report upon which it appears.

(c) Upon the filing of any petition pursuant to subsection (a) or subsection (b) of this section, the Board (or any member thereof or any examiner designated thereby) may hold hearings, administer oaths and affirmations, may examine witnesses and receive evidence at any place in the United States, and may require by subpoena the attendance and testimony of witnesses and the production of books, papers, correspondence, memoranda, and other records deemed relevant, to the

matter under inquiry. Subpenas may be signed and issued by any member of the Board or any duly authorized examiner. Subpenas shall be issued on behalf of the organization or the individual who is a party to the proceeding upon request and upon a statement or showing of general relevance and reasonable scope of the evidence sought. Such attendance of witnesses and the production of such documentary evidence may be required from any place in the United States at any designated place of hearing. Witnesses summoned shall be paid the same fees and mileage paid witnesses in the district courts of the United States. In case of disobedience to a subpoena, the Board may invoke the aid of any court of the United States in requiring the attendance and testimony of witnesses and the production of documentary evidence. Any of the district courts of the United States within the jurisdiction of which such inquiry is carried on may, in case of contumacy or refusal to obey a subpoena issued to any person, issue an order requiring such person to appear (and to produce documentary evidence if so ordered) and give evidence relating to the matter in question; and any failure to obey such order of the court may be punished by such court as a contempt thereof. All process in any such case may be served in the judicial district whereof such person is an inhabitant or wherever he may be found. No person shall be held liable in any action in any court, State or Federal, for any damages resulting from (1) his production of any documentary evidence in any proceeding before the Board if he is required, by a subpoena issued under this subsection, to produce the evidence; or (2) any statement under oath he makes in answer to a question he is asked while testifying before the Board in response to a subpoena issued under this subsection, if the statement is pertinent to the question.

(d) (1) All hearings conducted under this section shall be public. Each party to such proceeding shall have the right to present its case with the assistance of counsel, to offer oral or documentary evidence, to submit rebuttal evidence, and to conduct such cross-examination as may be required for a full and true disclosure of the facts. An accurate stenographic record shall be taken of the testimony of each witness, and a transcript of such testimony shall be filed in the office of the Board.

(2) Where an organization or individual declines or fails to appear at a hearing accorded to such organization or individual by the Board pursuant to this section, the Board may, without further proceedings and without the introduction of any evidence, enter an order requiring such organization or individual to register or denying the application of such organization or individual, as the case may be. Where in the course of any hearing before the Board or any examiner thereof a party or counsel is guilty of misbehavior which obstructs the hearing, such party or counsel may be excluded from further participation in the hearing.

(e) In determining whether any organization is a "Communist-action organization", the Board shall take into consideration—

(1) the extent to which its policies are formulated and carried out and its activities performed, pursuant to directives or to effectuate the policies of the foreign government or foreign organization in which is vested, or under the domination or control of

which is exercised, the direction and control of the world Communist movement referred to in section 2 of this title; and

(2) the extent to which its views and policies do not deviate from those of such foreign government or foreign organization; and

(3) the extent to which it receives financial or other aid, directly or indirectly, from or at the direction of such foreign government or foreign organization; and

(4) the extent to which it sends members or representatives to any foreign country for instruction or training in the principles, policies, strategy, or tactics of such world Communist movement; and

(5) the extent to which it reports to such foreign government or foreign organization or to its representatives; and

(6) the extent to which its principal leaders or a substantial number of its members are subject to or recognize the disciplinary power of such foreign government or foreign organization or its representatives; and

(7) the extent to which, for the purpose of concealing foreign direction, domination, or control, or of expediting or promoting its objectives, (i) it fails to disclose, or resists efforts to obtain information as to, its membership (by keeping membership lists in code, by instructing members to refuse to acknowledge membership, or by any other method); (ii) its members refuse to acknowledge membership therein; (iii) it fails to disclose, or resists efforts to obtain information as to, records other than membership lists; (iv) its meetings are secret; and (v) it otherwise operates on a secret basis; and

(8) the extent to which its principal leaders or a substantial number of its members consider the allegiance they owe to the United States as subordinate to their obligations to such foreign government or foreign organization.

(f) In determining whether any organization is a "Communist-front organization", the Board shall take into consideration—

(1) the extent to which persons who are active in its management, direction, or supervision, whether or not holding office therein, are active in the management, direction, or supervision of, or as representatives of, any Communist-action organization, Communist foreign government, or the world Communist movement referred to in section 2; and

(2) the extent to which its support, financial or otherwise, is derived from any Communist-action organization, Communist foreign government, or the world Communist movement referred to in section 2; and

(3) the extent to which its funds, resources, or personnel are used to further or promote the objectives of any Communist-action organization, Communist foreign government, or the world Communist movement referred to in section 2; and

(4) the extent to which the positions taken or advanced by it from time to time on matters of policy do not deviate from those of any Communist-action organization, Communist foreign government, or the world Communist movement referred to in section 2.

(g) If, after hearing upon a petition filed under subsection (a) of this section, the Board determines—

(1) that an organization is a Communist-action organization or a Communist-front organization, as the case may be, it shall make a report in writing in which it shall state its findings as to the facts and shall issue and cause to be served on such organization an order requiring such organization to register as such under section 7 of this title; or

(2) that an individual is a member of a Communist-action organization (including an organization required by final order of the Board to register under section 7 (a)), it shall make a report in writing in which it shall state its findings as to the facts and shall issue and cause to be served on such individual an order requiring him to register as such under section 8 of this title.

(h) If, after hearing upon a petition filed under subsection (a) of this section, the Board determines—

(1) that an organization is not a Communist-action organization or a Communist-front organization, as the case may be, it shall make a report in writing in which it shall state its findings as to the facts; issue and cause to be served upon the Attorney General an order denying his petition for an order requiring such organization to register as such under section 7 of this title; and send a copy of such order to such organization; or

(2) that an individual is not a member of any Communist-action organization, it shall make a report in writing in which it shall state its findings as to the facts; issue and cause to be served upon the Attorney General an order denying his petition for an order requiring such individual to register as such member under section 8 of this title; and send a copy of such order to such individual.

(i) If, after hearing upon a petition filed under subsection (b) of this section, the Board determines—

(1) that an organization is not a Communist-action organization or a Communist-front organization, as the case may be, it shall make a report in writing in which it shall state its findings as to the facts; issue and cause to be served upon the Attorney General an order requiring him to cancel the registration of such organization and relieve it from the requirement of further annual reports; and send a copy of such order to such organization; or

(2) that an individual is not a member of any Communist-action organization, or (in the case of an individual listed as an officer of a Communist-front organization) that an individual is not an officer of a Communist-front organization, it shall make a report in writing in which it shall state its findings as to the facts; issue and cause to be served upon the Attorney General an order requiring him to (A) strike the name of such individual from the registration statement or annual report upon which it appears or (B) cancel the registration of such individual under section 8, as may be appropriate; and send a copy of such order to such individual.

(j) If, after hearing upon a petition filed under subsection (b) of this section, the Board determines—

(1) that an organization is a Communist-action organization or a Communist-front organization, as the case may be, it shall make a report in writing in which it shall state its findings as to the facts and shall issue and cause to be served on such organization an order denying its petition for the cancellation of its registration and for relief from the requirement of further annual reports; or

(2) that an individual is a member of a Communist-action organization, or (in the case of an individual listed as a officer of a Communist-front organization) that an individual is an officer of a Communist-front organization, it shall make a report in writing in which it shall state its findings as to the facts and shall issue and cause to be served on such individual an order denying his petition for an order requiring the Attorney General (A) to strike his name from any registration statement or annual report on which it appears or (B) to cancel the registration of such individual under section 8, as the case may be.

(k) When any order of the Board requiring registration of a Communist organization becomes final under the provisions of section 14 (b) of this title, the Board shall publish in the Federal Register the fact that such order has become final, and publication thereof shall constitute notice to all members of such organization that such order has become final.

JUDICIAL REVIEW

SEC. 14. (a) The party aggrieved by any order entered by the Board under subsection (g), (h), (i), or (j) of section 13 may obtain a review of such order by filing in the United States Court of Appeals for the District of Columbia, within sixty days from the date of service upon it of such order, a written petition praying that the order of the Board be set aside. A copy of such petition shall be forthwith served upon the Board, and thereupon the Board shall certify and file in the court a transcript of the entire record in the proceeding, including all evidence taken and the report and order of the Board. Thereupon the court shall have jurisdiction of the proceeding and shall have power to affirm or set aside the order of the Board; but the court may in its discretion and upon its own motion transfer any action so commenced to the United States Court of Appeals for the circuit wherein the petitioner resides. The findings of the Board as to the facts, if supported by the preponderance of the evidence, shall be conclusive. If either party shall apply to the court for leave to adduce additional evidence, and shall show to the satisfaction of the court that such additional evidence is material, the court may order such additional evidence to be taken before the Board and to be adduced upon the proceeding in such manner and upon such terms and conditions as to the court may seem proper. The Board may modify its findings as to the facts, by reason of the additional evidence so taken, and it shall file such modified or new findings, which, if supported by

the preponderance of the evidence shall be conclusive, and its recommendations, if any, with respect to action in the matter under consideration. If the court shall set aside an order issued under subsection (j) of section 13 it may, in the case of an organization, enter a judgment canceling the registration of such organization and relieving it from the requirement of further annual reports, or in the case of an individual, enter a judgment requiring the Attorney General (A) to strike the name of such individual from the registration statement or annual report on which it appears, or (B) cancel the registration of such individual under section 8, as may be appropriate. The judgment and decree of the court shall be final, except that the same shall be subject to review by the Supreme Court upon certiorari, as provided in title 28, United States Code, section 1254.

(b) Any order of the Board issued under section 13 shall become final—

(1) upon the expiration of the time allowed for filing a petition for review, if no such petition has been duly filed within such time; or

(2) upon the expiration of the time allowed for filing a petition for certiorari, if the order of the Board has been affirmed or the petition for review dismissed by a United States Court of Appeals, and no petition for certiorari has been duly filed; or

(3) upon the denial of a petition for certiorari, if the order of the Board has been affirmed or the petition for review dismissed by a United States Court of Appeals; or

(4) upon the expiration of ten days from the date of issuance of the mandate of the Supreme Court, if such Court directs that the order of the Board be affirmed or the petition for review dismissed.

For the purposes of this subsection, each day of failure to register, whether on the part of the organization or any individual, shall constitute a separate offense.

(b) Any individual who, in a registration statement or annual report filed under section 7 or section 8, willfully makes any false statement or willfully omits to state any fact which is required to be

stated, or which is necessary to make the statements made or information given not misleading, shall upon conviction thereof be punished for each such offense by a fine of not more than \$10,000, or by imprisonment for not more than five years, or by both such fine and imprisonment. For the purposes of this subsection—

(1) each false statement willfully made, and each willful omission to state any fact which is required to be stated, or which is necessary to make the statements made or information given not misleading, shall constitute a separate offense; and

(2) each listing of the name or address of any one individual shall be deemed to be a separate statement.

(c) Any organization which violates any provision of section 10 of this title shall, upon conviction thereof, be punished for each such violation by a fine of not more than \$10,000. AN ACT

To outlaw the Communist Party, to prohibit members of Communist organizations from serving in certain representative capacities, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Communist Control Act of 1954". Communist Control Act of 1954

FINDINGS OF FACT

SEC. 2. The Congress hereby finds and declares that the Communist Party of the United States, although purportedly a political party, is in fact an instrumentality of a conspiracy to overthrow the Government of the United States. It constitutes an authoritarian dictatorship within a republic, demanding for itself the rights and privileges accorded to political parties, but denying to all others the liberties guaranteed by the Constitution. Unlike political parties, which evolve their policies and programs through public means, by the reconciliation of a wide variety of individual views, and submit those policies and programs to the electorate at large for approval or disapproval, the policies and programs of the Communist Party are secretly prescribed for it by the foreign leaders of the world Communist movement. Its members have no part in determining its goals, and are not permitted to voice dissent to party objectives. Unlike members of political parties, members of the Communist Party are recruited for indoctrination with respect to its objectives and methods, and are organized, instructed, and disciplined to carry into action slavishly the assignments given them by their hierarchical chieftains. Unlike political parties, the Communist Party acknowledges no constitutional or statutory limitations upon its conduct or upon that of its members. The Communist Party is relatively small numerically, and gives scant indication of capacity ever to attain its ends by lawful political means. The peril inherent in its operation arises not from its numbers, but from its failure to acknowledge any limitation as to the nature of its activities, and its dedication to the proposition that the present constitutional Government of the United States ultimately must be brought to ruin by any available means, including resort to force and violence. Holding that doctrine, its role as the agency of a hostile foreign power renders its existence a clear present and continuing danger to the security of the United States. It is the means whereby individuals are seduced into the service of the world Communist movement, trained to do its bidding, and directed and controlled in the conspiratorial performance of their revolutionary services. Therefore, the Communist Party should be outlawed. 68 Stat. 775. 68 Stat. 776.

PROSCRIBED ORGANIZATIONS

SEC. 3. The Communist Party of the United States, or any successors of such party regardless of the assumed name, whose object or purpose is to overthrow the Government of the United States, or the government of any State, Territory, District, or possession thereof, or the government of any political subdivision therein by force and violence, are not entitled to any of the rights, privileges, and immunities attendant upon legal bodies created under the jurisdiction of the laws of the United States or any political subdivision thereof; and whatever rights, privileges, and immunities which have heretofore been granted to said party or any subsidiary organization by reason of the laws of the United States or any political subdivision thereof, are hereby terminated: *Provided, however,* That nothing in this

section shall be construed as amending the Internal Security Act of 1950, as amended.
